HIGHLAND FINISH

For your final day of the 2018 GWTA we encourage you to find your inner Scot and tie a bow on your journey in tartan glory! If you have tartan, wear it or decorate your bike with it. If you need tartan, you’ve come to the right place!

Glengarry is home to the Glengarry Highland Games held in Maxville. Held annually since 1948, the event is a celebration of Scottish heritage with competitive piping, dancing, games and traditional events. The Glengarry Highland Games is estimated to be one of the largest Highland games events in the world.

This year’s GWTA jersey features the authentic South Glengarry Tartan. If you’ve got one, today’s the day to wear it!

Visit the border and return along the GLWT to the big finish at Glengarry Park.

Note: Sections of the loop not along the GLWT are unsigned.

About the Charity
The Waterfront Regeneration Trust’s mission is to Protect, Connect and Celebrate the earth’s largest group of freshwater lakes by creating the Great Lakes Waterfront Trail. We envision a Trail that is an integral part of each ecosystem it connects, that contributes to the ecology, economy, heritage and well-being of every community that participates, and that serves as the first step towards a regenerated Great Lakes waterfront

Thank you to the Great Lakes Waterfront Trail champions who over the years have used the GWTA to raise funds for this important regeneration and trail work.
