

Lake Huron North Channel : Section 6

Highlights of Section 6:

Travel rural roads through the rugged LaCloche Mountains. Visit the farmer's market or lakeside beaches in Espanola, where you can connect to Highway 6 to begin a journey to Manitoulin Island. Follow sections of the Spanish River and traverse a series of scenic wood bridges in Nairn.

Trail Runs Along:

Primarily rural and some residential roads. The route follows roughly 1.5km of Highway 6 and 7km of Highway 17, including a crossing of the Spanish River Bridge on Highway 17.

Length: 51km

*Some sections of the Lake Huron North Channel use paved shoulders on Highway 17, a Provincial highway posted at 90 km/h with high traffic volumes including consistent truck traffic.

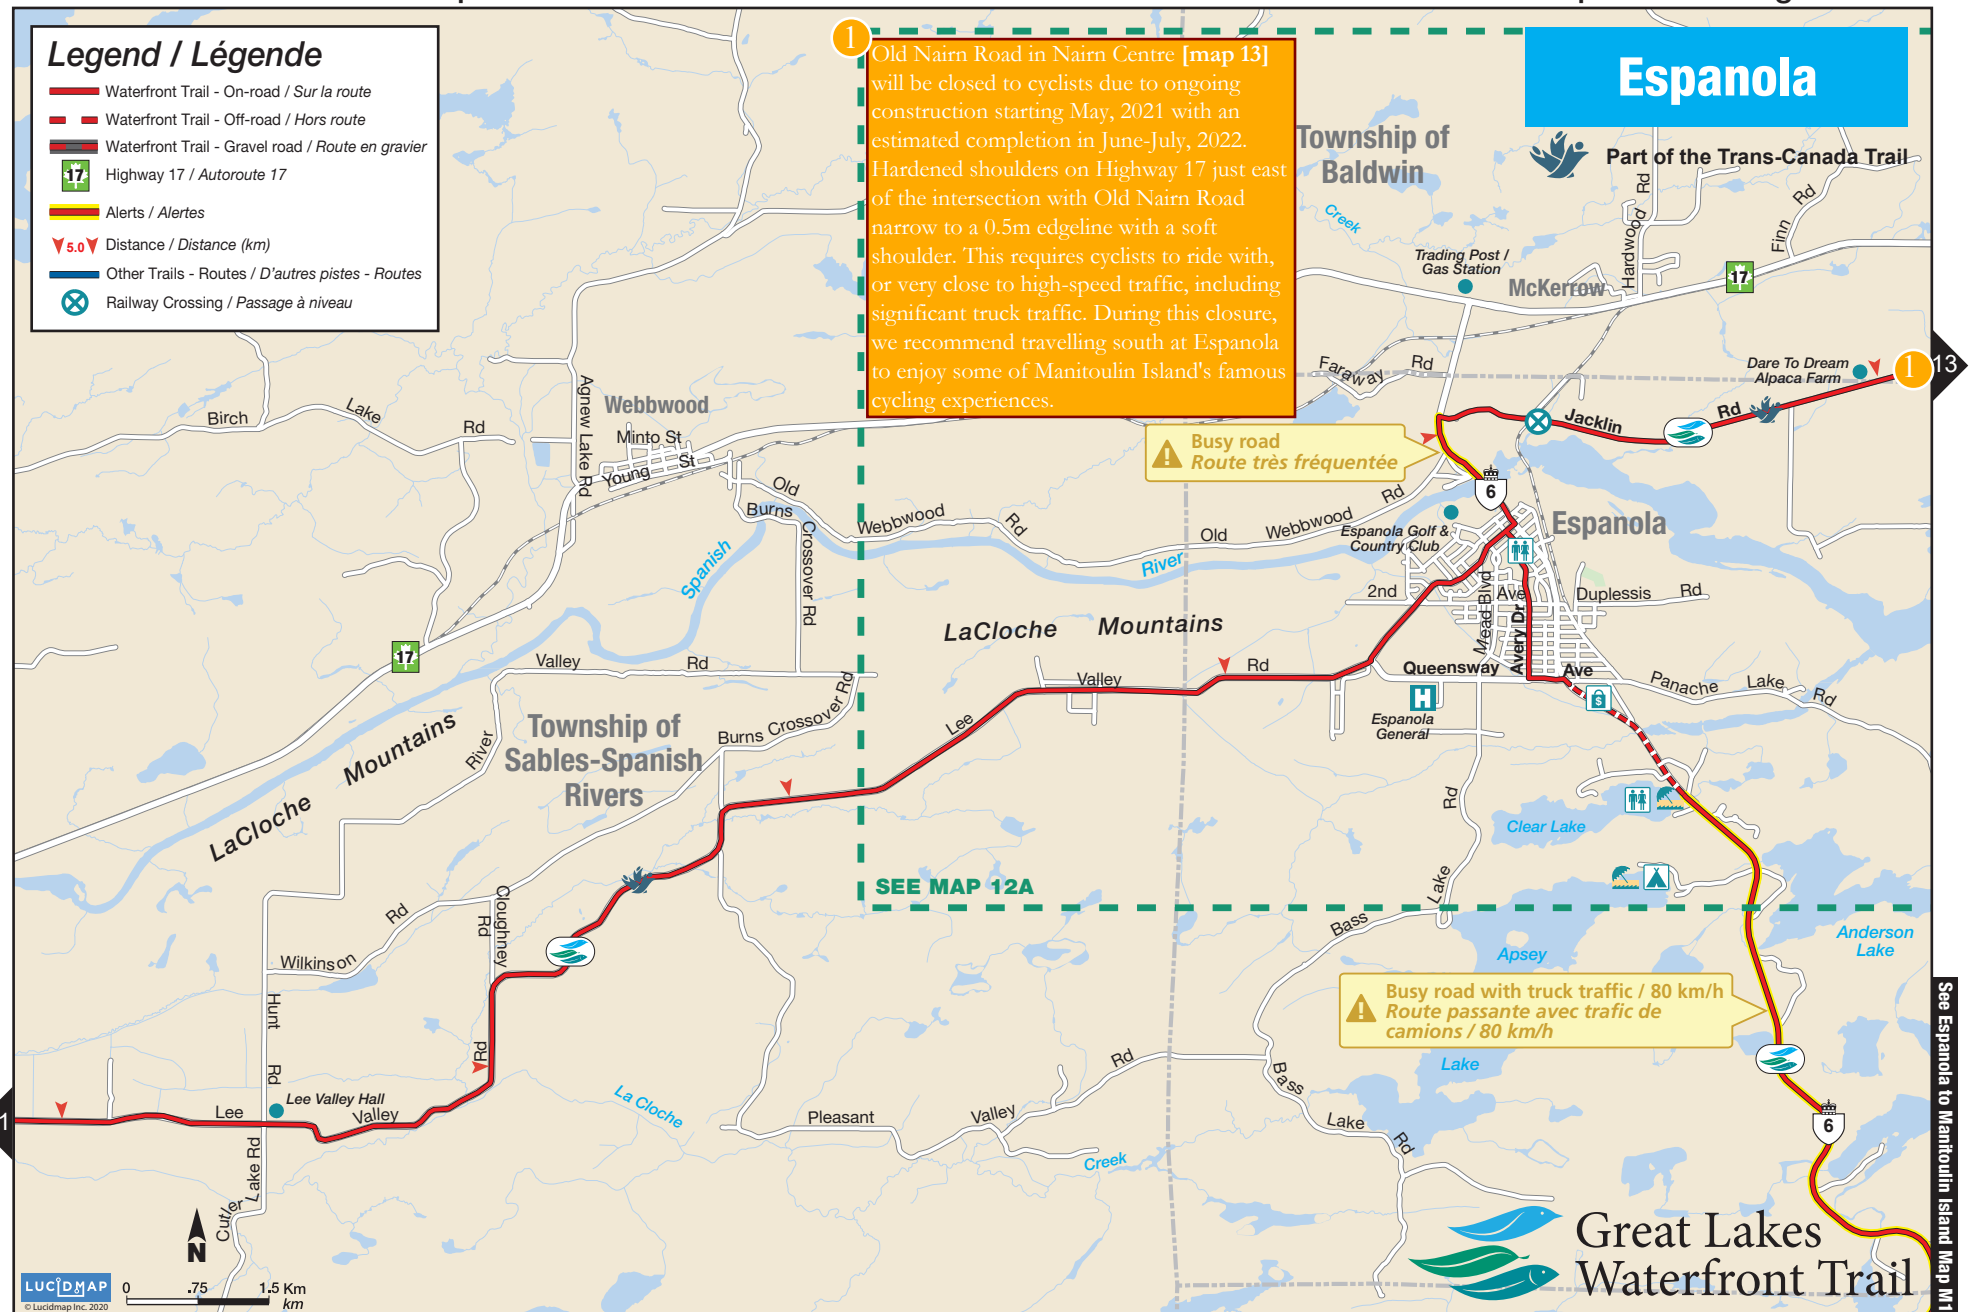

Old Nairn Road in Nairn Centre [map 13] will be closed to cyclists due to ongoing construction starting May, 2021 with an estimated completion in June-July, 2022.

Hardened shoulders on Highway 17 just east of the intersection with Old Nairn Road narrow to a 0.5m edgeline with a soft shoulder. This requires cyclists to ride with, or very close to high-speed traffic, including significant truck traffic. During this closure, we recommend that eastbound travellers turn south at Espanola to enjoy some of Manitoulin Island's famous cycling experiences. Westbound trail users can enjoy exceptional cycling on the Trail in Greater Sudbury to Whitefish and Nairn Centre.
