Highlights of Section 5:
The route includes 80km of off-road trail spread throughout the County and kilometers of stunning waterfront. You’ll find the world’s largest freshwater beach in Wasaga Beach and plenty of heritage in Penetanguishene, Midland and Tay. In Tiny you’ll find beautiful winding roads and the Thunder Beach Loop, including the incredible Awenda Provincial Park. On the Big Chute Loop you’ll find the mouth of the Trent-Severn Waterway, Honey Harbour and Georgian Bay Islands National Park, a taste of the Canadian Shield, and the unique Big Chute Marine Railway. In Collingwood and Orillia you’ll find loads of waterfront, great connecting trails and all the comforts you need on your Great Lakes Waterfront Trail journey.

Trail Runs Along:
Mostly along quieter rural roads and off-road trails that can be seasonally busy. There are short sections on busier main roads in Wasaga beach and Penetanguishene. Simcoe County has almost 80km of off-road trail designated as Great Lakes Waterfront Trail, much of which is paved or crushed stone multi-use path. The Uhthoff Trail section, east Waubaushene and into Orillia has some rougher sections.

Winter Maintenance:
Not all roads and trails on the route are maintained for cycling in the winter. Recommended for use May to October only. Use at your own risk.

Length: 285km
