

THE GREAT WATERFRONT TRAIL ADVENTURE

Give us six days this summer and we will take you on an adventure of a lifetime!

The annual Great Waterfront Trail Adventure is an amazing cycling adventure featuring a 500–600 km section of the Great Lakes Waterfront Trail.

This popular ride is fully supported, so we will:

- Carry your luggage
- Handle mechanical issues
- Arrange fun off-bike activities

Such as kayaking, shopping, visits to craft breweries, wineries, museums and more

Ride at your pace and use scheduled shuttles to skip ahead, take a breather or catch up.

Visit www.WaterfrontTrail.org for this year's itinerary and registration information.

“What a great trip! It was so well planned and organized, and perhaps the best bike event I participated in, and I have ridden in many, many events over the years.”

How to Donate

Join our League of Extraordinary Waterfront Trail Champions and support our work to improve, expand and promote the Trail and the values it represents.

The Waterfront Regeneration Trust & Partners

The Waterfront Regeneration Trust is the charity working with 177 communities and First Nations to protect, connect and celebrate the world's largest group of freshwater lakes through the creation of the Great Lakes Waterfront Trail.

The Great Lakes Waterfront Trail is the first step in a broader strategy to regenerate the waterfront's ecological health, sense of community and economic vitality and ensure the waterfront is clean, green, accessible, connected, open, useable, diverse, affordable and attractive.
